

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF ELKHORN WATER)	
DISTRICT, INC. FOR A RATE ADJUSTMENT)	CASE NO. 90-222
FOR NON-RECURRING CHARGES)	

O R D E R

On July 27, 1990, Elkhorn Water District ("Elkhorn") filed a petition with the Commission proposing to increase its tap-on fee for 5/8 inch x 3/4 inch meter, and larger size meters. On August 15, 1990, the Commission issued a letter requesting additional information concerning a filing deficiency be filed within 15 days. On August 17, 1990, Elkhorn filed its response to the deficiency letter and filed a copy of its affidavit of publication verifying that the notice was published in the State Journal on July 8, July 15, and July 22, 1990.

Elkhorn has filed a schedule with the Commission that itemizes the expenses involved in providing the above-mentioned charge. A review of the schedule indicates that the proposed tap-on fee is equal to the expense of the charge.

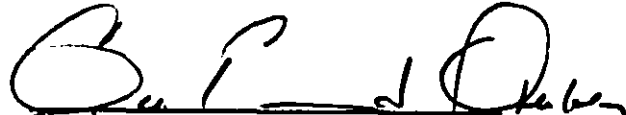

The Commission, having considered the evidence and being sufficiently advised, HEREBY ORDERS that:

1. Elkhorn is hereby permitted to increase its tap-on fee for 5/8 inch x 3/4 inch and larger size meters as set out in Appendix A, which is attached hereto and incorporated herein.

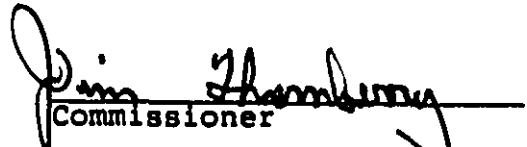

2. Within 30 days from the date of this Order, Elkhorn shall file its revised tariff sheets setting out the charges approved herein.

Done at Frankfort, Kentucky, this 17th day of September, 1990.
